

HEAVY-DUTY STEEL PALLET REPAIR TABLES

Model RS-5460

BENEFITS

- Heavy Duty, Rugged Design Dependable for Years to Come
- Table Dimensions and Crowned Top Design Makes Pallet Repair Easy

Econo Model

Pallet Repair Systems offers a variety of options when it comes to our steel pallet repair tables. Our user friendly design makes repairing pallets a breeze. The Econo model features a bracket to help hold pallets in place during board removal. Model RS-5460 tables have inset legs, lag style feet and have a slightly crowned top for easy pallet manipulation. Our Ergo table features a pallet slide/back stop with an overhead mounting track. This model's design allows additional tools and lights overhead for optimal ergonomics.
